Dear [REDACTED]

STAT

Thank you for your note of November 15, 1982, enclosing the Summer 1982 edition of Studies in Intelligence. I appreciate receiving this publication and find it to be a very well-written and informative addition to the regular publications we receive from CIA. In this regard, I understand that several years ago [REDACTED] wrote a memorial piece on Mr. Richard Welch for publication in Studies in Intelligence. As you may recall, Welch was the CIA officer who was assassinated outside his home in Greece following his identification as Chief of Station in a local newspaper several weeks previous. Would it be possible for you to send a copy of [REDACTED] article to me?
